Donate an Item! *(Let me count the ways!)*

A variety of items and parties do well at auction. Following is a list of ideas, and details on how to donate. Think of your extended network. Do you have a friend who works at a high-profile company? Could she arrange a tour? Do you tutor or like to entertain? Talk to others. Get inspired and donate!

How do I donate an item? If you have an item or service to donate to the auction, go to www.baywoodauction.org, click on “Donate an Item” and fill out a simple form!

How do I sponsor a party? You and a group of friends can get together and host a themed party (i.e. a Margarita Party). We can auction this party off at the silent or live auction. It’s a great way to have fun with friends, meet new families and support our school.
